

2017 GOGO AVANCE™ L5 CUSTOMER REWARD PROGRAM

Get ready to go faster with Gogo AVANCE L5, which will bring to life the Gogo Biz 4G experience. And you're investing in the future, as you can upgrade your system and enjoy Next Gen speeds (up to 100 Mbps) in 2018/2019.

01

Stream your favorite services like Hulu, Netflix, Pandora, & Spotify.

02

Have face-to-face conversations using your favorite applications. Call and text using your own number with Gogo Text & Talk.

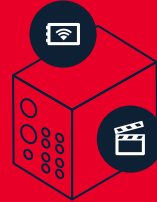

04

Enjoy expanded network coverage. Gogo Biz 4G speed over more of Canada, and common international routes in and out of the U.S.

03

Get it all in the single Gogo AVANCE L5 LRU that also integrates a smart router and inflight entertainment server.

05

Fly with confidence. It's all backed by Gogo's award-winning customer service.

TIME IS RUNNING OUT TO SIGN UP AND SAVE BIG.

The Customer Reward Program is ending soon. So sign up today, lock in big savings, and get connected to the Gogo Biz 4G network with confidence - knowing you don't have to roll the dice with your inflight connectivity solution.
