

GOGO BIZ 4G CUSTOMER REWARD PROGRAM

You asked for more speed and capabilities on the Gogo Biz network and we're happy to bring it to you. Available in 2017, Gogo Biz 4G gives you faster Internet, fully-integrated equipment, and expanded coverage. Plus it's future-ready: so you can upgrade and access Next Gen speeds up to 100 Mbps in 2018.

01

Stream your favorite services like Hulu, Netflix, Pandora, & Spotify.

02

Have face-to-face conversations using your favorite applications. Call and text using your own number with Gogo Text & Talk.

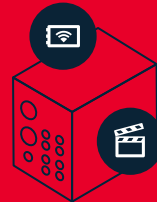

04

Enjoy expanded network coverage. Gogo Biz 4G speed over more of Canada, and common international routes in and out of the U.S.

03

Get it all in a single LRU that even integrates a smart router and in-flight entertainment server.

05

Fly with confidence. It's all backed by Gogo's award-winning customer service.

SIGN UP. SAVE BIG. CONNECT WITH CONFIDENCE.

We're making it easy to sign up for Gogo Biz 4G today, lock in big savings, and get connected with confidence - knowing you don't have to roll the dice with your inflight connectivity solution.
