

**GOGO ATG**

# Everywhere you go

Gogo Biz created the broadband connectivity revolution and continues to power life in the sky for thousands of business aviators. The Gogo Biz network gives you a productive internet and voice experience, and our ATG equipment is small and light enough for virtually any aircraft.

Together, they enable you to surf the internet, send and receive email with attachments, and log into your corporate VPN using your own laptop, smartphone or tablet.

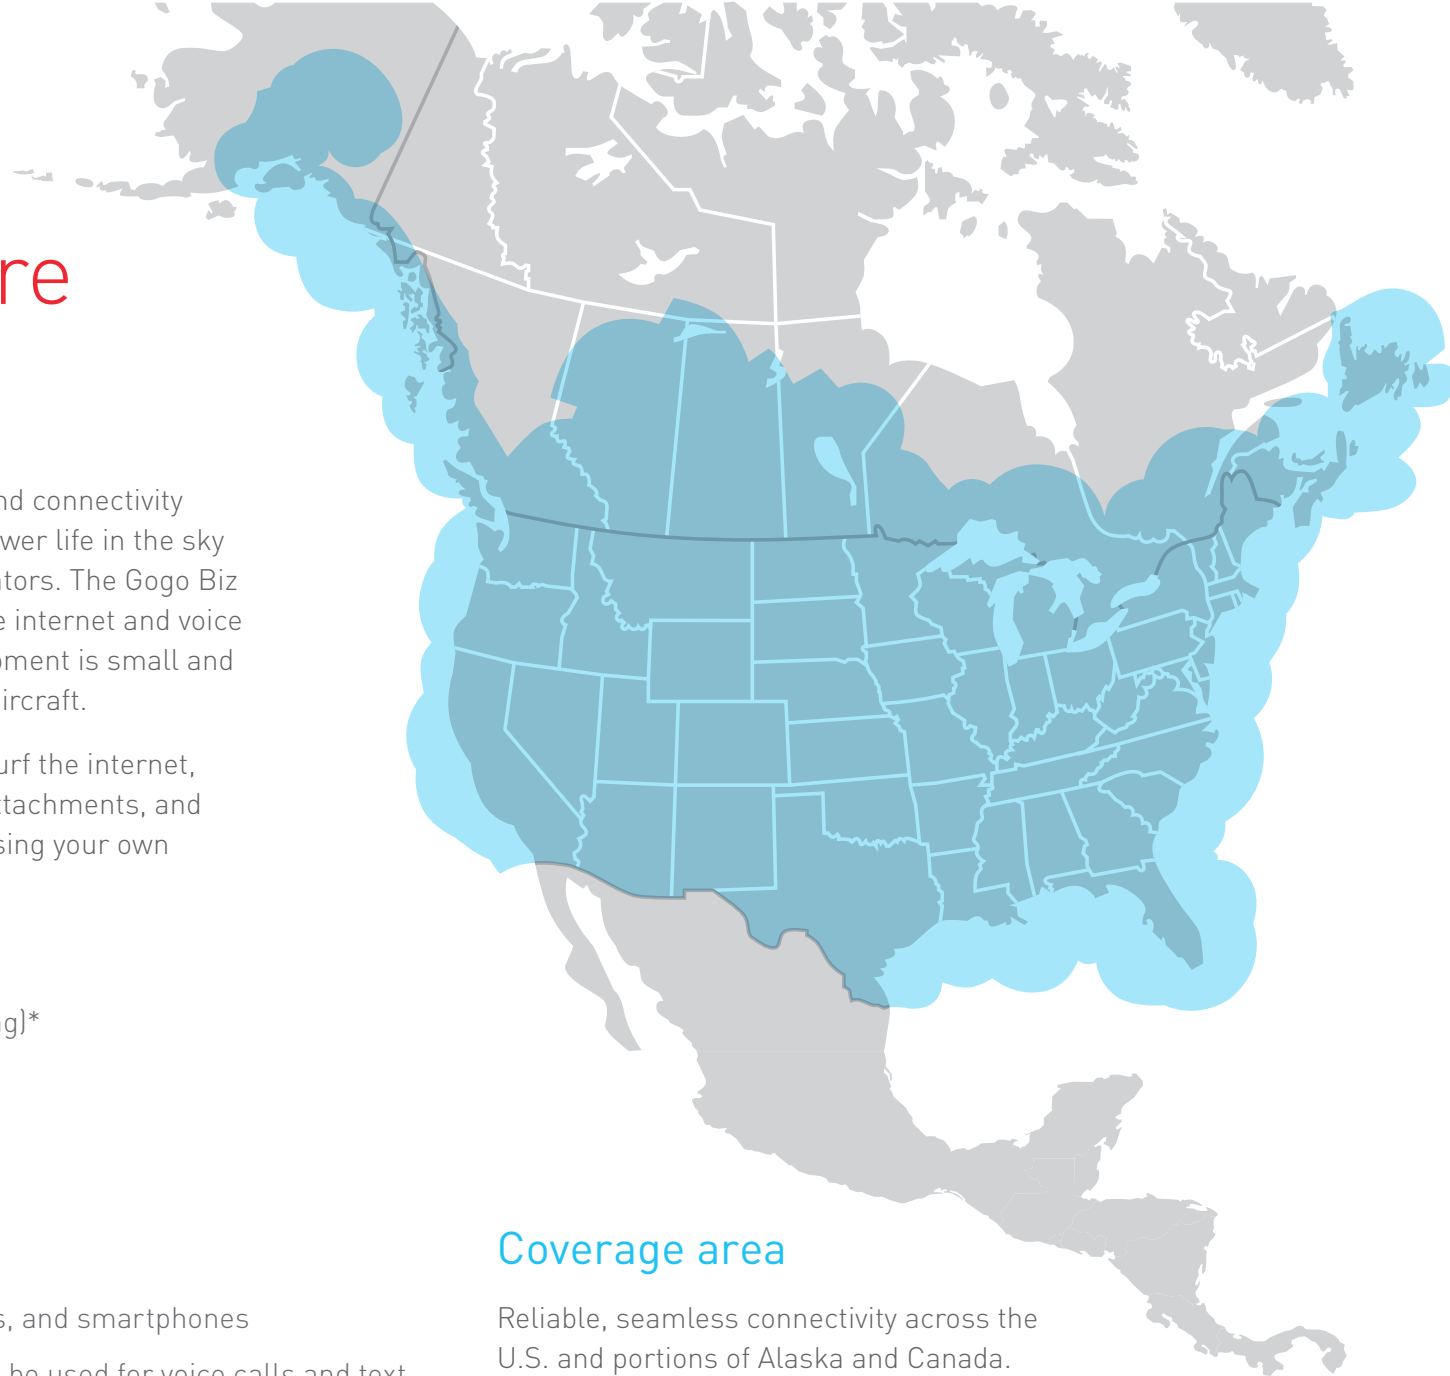

## Applications

- › Web browsing (no streaming)\*
- › Email
- › Corporate VPN access
- › Voice

## Supported devices

- › Laptops, notebooks, tablets, and smartphones
- › Personal smartphones can be used for voice calls and text messaging, with optional Gogo Text & Talk service

\*If streaming is required, consider the Gogo AVANCE L5 system.

## Coverage area

Reliable, seamless connectivity across the U.S. and portions of Alaska and Canada.

Coverage starting at 10,000 feet above ground level (or higher).

# Impressive capability. Affordably priced.
